

Summit Adventure

5-day Snowmobile tour

King of all snowmobile tours!

Conquer the highest mountain of Finland, visit the meeting point of 3 countries – Finland, Sweden and Norway, and cross your own limits on this 5 day long snowmobile tour on the Arctic Trail!

Day 1 – Arrival

Arrival to Kittilä airport and transfer to Harriniva in Muonio (approx. one hour) Dinner in the restaurant and accommodation in cosy hotel rooms for 3-4 persons in Harriniva or in cabins with shower and wc for 4-6 persons close to Harriniva.

Day 2 – Start your engines!

After breakfast delivery of the safari equipment (warm overalls, boots, socks, mittens, hat, gloves, helmet) and a short introduction to the programme of the following days. Safety and driving training for snowmobile. Finally it is time to start the engines and follow the guide in to the forest! Driving distance today is approx. 100 km. During the safari we stop for a picnic lunch. In the afternoon arrival to Galdotieva Fell Centre, close to the Norwegian border. Dinner in the restaurant and overnight in cosy log cabins or in apartments for 4-6 persons with shower and wc.

Day 3 – Through the snow desert

After breakfast the safari continues. During the next days we travel in open mountain area, where weather can change rapidly from sunshine to snowstorm. When the guide asks you to follow his track, it is no joke, as below the snow blanket there might be a hole in a frozen river or lake. The driving distance is approx. 150 km to the village of Kilpisjärvi. Picnic lunch along the way. Sauna, dinner and overnight in cabins for 4-6 persons with shower and wc in Kilpisjärvi.

Day 4 – Top of Halti and 3 country point

After breakfast we start the safari in to the mountains. Today we will conquer the highest mountain of Finland, Halti, on snowmobiles! From the top you will meet an amazing landscape over the Norwegian mountain chain. Picnic lunch during the safari.

We continue the safari to the Swedish mountain area and visit the border monument of 3 countries – Sweden, Norway and Finland. After the approx. 120km of driving in the mountains, sauna is very welcome! Dinner and overnight in Kilpisjärvi.

Day 5 – Deep in powder

Breakfast in Kilpisjärvi. Today we drive from Kilpisjärvi back to Galdotieva, approx. 150 km. If you have some power left, our guide will today show us some tricks on how to handle the ski-doo in deep snow. Powder, here we come! Picnic lunch along the way. Sauna, dinner and overnight in Galdotieva cabins or apartments.

Day 6 – Last leg, Victoria Trail

After breakfast the last leg of the safari takes us back to Muonio. The driving distance will be approx. 120 km. The route goes partly on the 'Victoria Trail' between Finland and Sweden. Picnic lunch along the way. Back in Harriniva you can relax in sauna and why don't you treat yourself also to a sports massage? Go through the highlights of the tour once more during the farewell dinner of delicious Lappish specialities. The night is long in Harriniva hotel bar... Accommodation in hotel rooms for 3-4 persons in Harriniva or in cabins for 4-6 persons with shower and we close to Harriniva.
