From every programme booked we donate 50 € to save the old forests of Muonio!

Driving a snowmobile is surprisingly easy even for beginners and soon you will be speeding through the snow covered forests and over the frozen lakes. Day 5 – Night in wilderness

After breakfast you will pack your equipment for the 2-day tour and get acquainted with the huskies! You will visit the Harriniva Arctic Sleddog Centre with nearly 400 huskies and hear of the life of these arctic dogs. The husky guide will teach you how to handle the sled and you will meet your team of 4-5 dogs that accompany you for the 2 day safari. (1 person / sled) Lunch by an open fire en route. Driving distance is about 25 km to a wilderness hut where you will have sauna, dinner and stay overnight in shared facilities.
