After breakfast we head out on a 20km snowmobile safari, with two adults sharing a snowmobile and children sitting in a sled pulled by a guide. Lunch will be taken in the hotel. The afternoon continues with snow fun. Test your skills at snowshoeing, cross country ski or zooming down the toboggan slope (you are never too old to toboggan!) Children will also have a chance to drive their own mini snowmobile, under supervision. Then the highlight of the trip as you are whisked off in to the forest by snowmobile sled in search of Santa's secret hide out in the forest. Dinner and overnight in cosy hotel room or cabin.

Day 5 - Departure

After breakfast departure to Kittilä airport.

Private Santa's meeting:

Highlight of holiday is meeting the grand man himself. During your stay you will head off into the forest and go searching for him with your guide pulling you along in a snowmobile sleigh. Keep your eyes peeled as you look out for elves. As you drive near you can see moving lanterns held by the elves who sneak up to greet you. They know the secret path to Santa's cabin and will guide your family through the lantern lit path straight to his cabin. As the children knock on his door will they wake him up from his little nap around the fire?

** Santa Service:

Bring with you your children's letter to Santa along with a small gift (max. value 20€) from their wish list and we will have them waiting in the cabin. Imagine your child's eyes light up when not only has he got their letter but he has already got one gift from their wish list ready for them!

This is a sample itinerary, a full itinerary will be given in resort. We hold the right to make changes to the program itinerary according to weather conditions.
